

## VOLUNTARY CONTRIBUTIONS, CHARGES AND ADDITIONAL COST ITEMS FOR 2025

**WOODVALE  
PRIMARY SCHOOL**

Dear Parents/Guardians

Sections 98, 99, 100, 101 and 108 of the Education Act 1999 outline the requirements for Government Schools to follow when establishing voluntary contributions, charges and additional cost items. One requirement is for schools to outline by early December all the costs that parents are likely to incur for the child's education in the following year. All costs for 2025 have been approved by the School Board.

### VOLUNTARY CONTRIBUTIONS

While the contributions listed below are voluntary, we rely on these funds to provide curriculum resources and special programs across the school. In 2024 the payment of voluntary contributions went towards introducing the Seven Steps Writing Program in our classes, establishing our specialist art classes, STEM resources and new library resources.

**Voluntary Contribution                      \$60.00                                      P & C Voluntary Contribution                      \$40.00**

Payments for Voluntary Contributions can be made online via direct debit:

**BSB Number: 066 040                      Account Number: 19907320**

Please label online payments with the **student's initial and surname** – for example:

"J Smith Y3 Voluntary cont."

**A range of payment options is available, please contact Janet Vincent, the Manager Corporate Services at [janet.vincent@education.wa.edu.au](mailto:janet.vincent@education.wa.edu.au) or 9408 3800 to make arrangements.**

### ADDITIONAL COST ITEMS

**In addition to the 2025 Resource List** (book list) which is available from our website, outlined below are our best estimates of the total cost parents may be expected to pay for each year group in 2025. To the best of our ability, we have estimated costs using historical data and cost indications from suppliers/providers.

Students will **incur costs when they participate** in a particular activity and information will be sent home to parents/guardians when these occur. The amounts listed in the table are the **maximum** amounts that may be charged for the year. **Payment is sought at the time of the activity. Students who have not paid or entered a payment agreement, will not be permitted to participate in the excursion or activity.**
