VOLUNTARY CONTRIBUTIONS & CHARGES 2027

Dear Parents/Guardians

Sections 98, 99,100,101 and 108 of the Education Act 1999 outline the requirements for Public Schools to follow when establishing voluntary contributions, charges and additional cost items. One requirement is for schools to outline by early December all the costs that parents are likely to incur for their child's education in the following year. All costs for 2027 have been endorsed by the School Board (Board Meeting, Monday 2 November 2026).

VOLUNTARY CONTRIBUTIONS

Financial support provided by parents has always played a significant role in enhancing our school's capacity to add value to our children's' learning experiences. The following information is provided to assist parents in calculating the **maximum** total costs for each child for 2027.

	Kindergarten	Pre-Primary	Years 1 – 6 (Primary)
Voluntary Contribution	$60	$60	$60
P&C Voluntary Contribution	$40	$40	$40

Payments for Voluntary Contributions can be made via the Campion Resource lists or by the Qkr app. (Qkr download and use instructions)

Please label online payments with the **student's initial and surname, year level and description** – for example: "J Smith Yr3 Voluntary Contribution."

A range of payment options are available, please contact the Manager Corporate Services at woodvale.ps@education.wa.edu.au or 9408 3800 to make arrangements.

Voluntary contributions received enhance our school's capacity to add value to our student's learning in several ways.

Student Wellbeing
